

Report of the Oral Defence of a Master's Thesis

Student Information

Student Name	Student Number	Date of Oral Defence	Academic Program
Degree	Thesis Title		

Examining Committee's Recommendation

The adequacy of a Master's thesis is decided by an examining committee consisting of the supervisor, the additional member(s) of the advisory committee, and one arm's length examiner who has not been a member of the student's advisory committee.

Based on the adjudication process established by the academic unit, has the thesis requirement for this student been met?

☐ Yes, the thesis requirement has been met
☐ NO, the requirement has not been met (only select if student has failed the thesis requirement)
