Committee Vote For Thesis Award

If this thesis is of exceptional quality, should it be recommended for an award? (check one)

 Yes No***The Following are our current Thesis Competitions:*****The Governor General's Gold Medal:**

Awarded each year to an academically outstanding graduate student (Master's or PhD). Student is judged upon the significance of the research undertaken, the quality of the thesis, and is open to any discipline at the University of Saskatchewan.

The Natural Sciences and Engineering Research Council Doctoral Prize:

A national award with four prizes awarded each year; two in the Sciences and two in Engineering.

Harry Toop Memorial Prize in Scientific Writing:

To promote and recognize excellence in the use of the English language in scientific writing.

College of Graduate and Postdoctoral Studies Thesis Awards:

Thesis awards are awarded to the five disciplines across campus to recognize the excellence in the original quality of graduate student research.

**This form is used to record the vote of the advisory committee at the time of the defence.
The CGPS Awards Committee will refer to this form when selecting recipients.**

****Please return this form to the College of Graduate and Postdoctoral Studies following the student's defence.****
