Mikisiwispisîm (Eagle Moon) Newsletter

Tansi everyone!

I hope you're all staying warm and grounded during this cold snap. I know many of you are busy with midterms (both taking and grading), but please remember to take some time this upcoming break to relax.

Thank you to everyone for attending our funding and Stitching Stories sessions last month. We are reaching the end of our quilting project, but have added in a few more dates so you can still join in.

Indigenous Achievement Week is coming up in March, so keep your eyes peeled for some great events across campus! I will include the full schedule in our next newsletter.

Take care.
