In the news

Winning words: USask researchers reach new heights in communication competitions

Communication-focused competitions are challenging graduate students to change the way they think about

their research. By shifting their perspectives, researchers are finding more effective ways to share their work with the public. [Read more.](#)

Leading the way: Governor General's gold medalist advocates for reconciliation in pharmacy education

Dr. Jaris Swidrovich is Canada's first and only Indigenous faculty member in pharmacy, and his doctoral work has resulted in dramatic institutional changes across the

country. [Read more.](#)
