

Memorandum of Agreement between St. Andrew's Theological College and the College of Graduate Studies and Research, University of Saskatchewan

Purpose

The purpose of this agreement is to expedite registration procedures of graduate students enrolled at affiliated educational institutions. This will encourage a cooperative relationship and an efficient sharing of resources for mutual benefit.

Eligibility

1. The student must have completed four years of post-secondary, University level education, or equivalent, must be enrolled in a Master's degree program, must be in good standing at one of the institutions which are party to the agreement, and must normally have a grade point average for the last 30 credit units (one year of full-time study) of at least 70% or equivalent.
2. The student must have the signed consent of both the host institution (the institution offering the desired course) and the home institution (the institution providing the degree).
3. Courses sought at the University of Saskatchewan must be designated as graduate level by the CGSR. Courses sought at St. Andrew's College must be taught at the Master's level.
4. The total number of courses taken by a student through this agreement may not exceed 20% of the course work required for the degree.
5. Where a student wishes to pursue a course of independent study under the supervision of a professor in the host institution, this is at the discretion of the professor and requires the written consent of the professor and the academic unit Head.

Responsibilities of Home and Host Institutions, and Students

1. It is the responsibility of the home institution to ensure the eligibility of students who wish to participate in this agreement.
2. It is the responsibility of the host institution to provide adequate instruction, library and research facilities for students covered by this agreement and other services normally enjoyed by students enrolled in the programs offered by the host institution.
3. It is the responsibility of the student to undertake and complete all assignments required for successful completion of the desired course.
4. It is the responsibility of the student to ensure that a transcript is sent from the host institution to the home institution for purposes of credit transfer.

Fees

Students covered by this agreement will pay tuition for the desired course.
