MEMORANDUM

From: Debby Burshtyn, Chair - Executive Committee

Re: Changes to admissions requirements for the Master of Business Administration

On September 23, 2020, the Executive Committee (EC) reviewed the recommendation from the Graduate Programs Committee (GPC) that the admission requirements to the MBA program be amended to allow either a minimum score of 500 on the GMAT, or completion of the MCAT and admission to the UofS College of Medicine.

The motion passed unanimously (Mousseau/Kalra)

In clarification, this change addresses students in Medicine and pursuing an MBA who used to have to do both tests, with this amendment only a MCAT would be required.

To follow please find the proponents submission for additional context.

If you have any questions, please contact Debby Burshtyn, chair of the CGPS Executive Committee at debby.burshtyn@usask.ca or 306-966-5759.

Re: Proposed Changes to Admission Requirements for the Master of Business Administration

On September 8, 2020, the Graduate Programs Committee considered a proposed change to allow completion of the Medical College Admission Test (MCAT), and admission to the UofS College of Medicine to be accepted in lieu of the requirement for a Graduate Management Admission Test (GMAT), with a minimum score of 500.

Though it was noted that the MCAT and GMAT would not provide the same assessment, it was also noted that satisfying both requirements would require additional costs and study time for applicants wanting to pursue both the Doctor of Medicine (MD), and Master of Business Administration (MBA) degrees. In such situations, exceptions were being sought which was not considered reasonable or sustainable to manage.

The Graduate Programs Committee was willing to support the MBA program proposal, and passed the following motion:

Motion: To recommend amendment to the admission requirements to the MBA program to allow either a minimum score of 500 on the GMAT, or completion of the MCAT and admission to the UofS College of Medicine. Tanaka/Morrison 1 abstention CARRIED
