Supervisor Signature:	Date:
Department head/director name printed:	
Department head/director signature:	Date:

By signing, you have confirmed you have reviewed in light of STRAC that the applicant is not working in a sensitive research area, and that the institution affiliation is of no concern based on the Canadian Government's listing of [Named Research Organizations](#). If you have questions regarding the Canadian Government's new policy on Sensitive Technology Research and Affiliations of Concern (STRAC), or would like some assistance in determining how to assess associated risks prior to your approval of this file, please contact Lisa Belhumeur (Belhumeur.lisa@usask.ca).
