What's happening?

USask 3MT® Competition | Now accepting entries for the Preliminary Round

Your task? Translate your thesis and its impact to an audience of non-specialists in just 3 minutes using only one static slide.

All thesis-based Master's and PhD students are invited to take part in the annual Three Minute Thesis (3MT®) competition. CGPS is accepting entries into the virtual preliminaries until March 19th, 2024.

Are you a French-speaking graduate student? You're eligible to participate in the MT180, a French alternative to the 3MT® competition, offered in collaboration with the University of Regina and Acfas Saskatchewan.

CGPS Professional Development Survey (Postdoctoral Fellows) | Tell us what you think!

The College of Graduate and Postdoctoral Studies is in the process of planning for targeted professional development (PD) supports for postdoctoral fellows at USask. As a result, CGPS would like to hear from all postdocs and gain insights about your PD needs.

Please take four minutes to complete a short survey:

<https://www.surveymonkey.ca/r/6PSQKDC>

The survey will close on **March 8th, 2024**. The data gathered from this survey will be used to inform the design, development, and delivery of PD supports for current and future postdocs.

In appreciation of your time, you may enter a **draw to win a CGPS sweater** by adding your email at the end of the survey.

GSA Annual Awards | Call for Nominations

The Graduate Students' Association is now accepting nominations for the GSA Annual Awards. The GSA Annual Awards are intended to celebrate graduate students, as well as honour faculty that have generously supported graduate students in research, scholarly and artistic pursuits.

Award recipients will be honoured at the GSA Annual Awards Gala on April 27th, 2024 at the Delta Bessborough Hotel.

Learn more about the awards and find out if you're eligible by visiting the [GSA website](#).

Career Exploration with Aurora | Designed for PhD students and Postdocs

Join over 200 USask PhD students and postdoctoral fellows who use Aurora, a platform made possible by a partnership between CGPS and Beyond the Professoriate.

Aurora gives PhD students and postdoctoral fellows access to research-based, structured curriculum to help you through each stage of your job search. Video lessons, workbooks, and assessments will help you facilitate your learning experience.
