DATE OF ORAL DEFENCE:

Table with 4 columns: Student Name, Student Number, Academic Program, Master of Degree

THESIS TITLE:

EXAMINING COMMITTEE'S RECOMMENDATION:

The adequacy of a Master's thesis is decided by an examining committee consisting of the supervisor, the additional member(s) of the advisory committee, and one arm's length examiner who has not been a member of the student's advisory committee.

Based on the adjudication process established by the academic unit, has the thesis requirement for this student been met?

Yes No *only select No if a student fails the thesis requirement

Form for Arm's Length Examiner: Signature and Date fields
