

2021-2022 USASK Internal Review Process

Banting Postdoctoral Fellowship

June 14

The Notification of Intent (NOI) package is due.

NOI's will be adjudicated by a multi-disciplinary selection committee, comprised of faculty members and research specialists from across campus. Only those selected by the adjudication committee will move forward in the review process.

June 30 - July 27

Selected applicants be notified by June 30 and will work with their supervisor to prepare a full draft application as per the Banting Program Application Guide.

July 28

Applicant submits a full draft application, as detailed by the Banting Program Application Guide.

Submissions will be reviewed by the adjudication committee and feedback will be provided on all documents.

August 6 - 31

Feedback on the full draft application will be provided to applicants by August 6. Applicants will continue to work with their supervisor to revise their full application as per the adjudication committee feedback.

September 1

Applicants will submit their full revised application, to be reviewed by a professional editor/ grant writer.

The editor will proofread the applications and review them for language and readability.

**September
10 - 14**

Feedback from the editor will be provided to the applicant by September 10.

Applicants make final revisions as per the feedback from the editor

September 15

Applicants submit their full final application for a final administrative/ compliance review to ensure the application conforms with the Banting Secretariat Guidelines.

September 17

The applicant is notified when the application is ready to be submitted to the Banting Secretariat and is provided with an institutional letter of support
